

**REQUEST for SPECIAL TEMPORARY AUTHORITY to CONTINUE REDUCED POWER OPERATIONS**

As the Commission is aware, K24MW-D, Clovis, New Mexico, FAC ID 48551 (“Station”), licensed Nexstar Broadcasting, Inc. (“Nexstar”), the Station was forced to reduce its normal transmitter output power to 10% due a transmitter failure.<sup>1</sup> Steps to resolve the issue have begun but the repair has not yet been completed. Accordingly, Nexstar seeks special temporary authority to continue reduced power operations until the repairs are completed in the near future.
