

This amendment to the K295BU Site Change application is being filed to update the Primary Station that is being re-broadcasted by the translator. The Primary Station is non-commercial KNGM in Guymon, Oklahoma (Facility ID #174174). No other changes were made in the application.

The automatic LMS fill in of the application Facility Information Type lists the translator as being Commercial. This type listing is not correct. The translator is non-commercial as first licensed in 2014.

A handwritten signature in blue ink, reading "Larry P. Waggoner". The signature is stylized with a large, looping "L" and a long, trailing flourish that extends downwards and to the right.
