

**Change of applicant name:**

The instant minor change application File No. BPFT-20180625ABP was initially filed in the name of 1TV.com, Inc.

1TV.com, Inc., is owned and controlled by John Low, who also holds majority ownership and control of Rocket Radio Corporation, the licensee of station K246CH.

When preparing the instant K246CH minor change application, the applicant's consultants inadvertently submitted File No. BPFT-20180625ABP through the 1TV.com, Inc., CDBS account which auto-filled the 1TV.com, Inc., applicant name.

When this was discovered, Rocket Radio Corp. promptly filed an amendment to correct the applicant name in FCC File No. BMPFT-20180706ABB.

**Multiple Translators**

At no time did Rocket Radio Corporation cause multiple FM translators K246CH and K247CF to rebroadcast the same primary signal to substantially the same area at the same time.

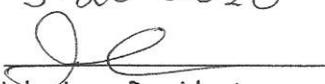

Rocket Radio Corporation is the licensee of FM translator station K247CF which translated primary station KIKO(AM) to substantially the same broadcast service area as that proposed for station K246CH during a period of time when station K246CH was silent (See File No. BLSTA-20180508ACH, as extended).

On April 10, 2019, K246CH, FACID 155722, resumed broadcast operation translating primary station KIKO(AM) Apache Junction, AZ, with facilities authorized in File No. BPFT-20160129AVI, license to cover pending in File No. BLFT-20160404ACM.

On April 10, 2019, station K247CF, FACID 144136, commenced translating station KBSZ(AM) Apache Junction, AZ with facilities authorized in BLFT-20161214AAQ.

I certify under penalty of perjury that the foregoing statement is true and correct to the best of my knowledge and belief.
