**Request for Silent STA**

Lawrence F. Loesch (“Loesch”) licensee of LPTV stations W22EN-D (Fac. ID 190587), W28CJ-D (Fac. ID 125383), and W30DN-D (Fac. ID 130375) all of Manteo, NC, requests silent special temporary authority due to the impact of the Covid-19 pandemic. The stations have experienced multiple advertisement cancellations resulting in significant reductions in revenue in a relatively short period of time. The grant of special temporary authority would help preserve the stations’ ability to sustain operations during a period of unprecedented economic conditions.
