

WLFB
Amendment to 2019 Annual
Children's Television Programming Report

Reason for Amendment

WLFB's Children's Television Programming Report for 2019 was timely filed on February 18, 2020, and it is being amended to correct a mistake in the Report as initially filed. The initial Report inadvertently included 5 of the 6 regularly scheduled Digital Core Programs in the Sponsored Core Programming section. The Report has now been corrected to include all 6 programs in the Digital Core Programs section. Additionally, the licensee initially inadvertently failed to answer the question regarding serving the educational and informational needs of children ages 16 and under as a significant purpose for "Adventures in Odyssey"; this amendment corrects the omission with an answer of "yes." There are no other changes.
