

**Engineering Statement and  
Special Temporary Authority Justification  
K36AE-D Clarkdale, AZ  
Channel 36**

This application is for Special Temporary Authority (STA) for station K36AE-D channel 36 Clarkdale, AZ. The station recently implemented the facility specified in Construction Permit 0000094257; however, the new facility is not performing as expected. This STA request is to permit K36AE-D to operate using the facility specified in Construction Permit 0000094257 pending determination of a solution to the problem and modification of the current Construction Permit.
