

**Engineering Statement and
Special Temporary Authority Justification
K16BP-D Cottonwood, AZ
Channel 16**

This application is for Special Temporary Authority (STA) for station K16BP-D channel 16 Cottonwood, AZ. The station recently implemented the facility specified in Construction Permit 0000094444; however, the new facility is not performing as expected. This STA request is to permit K16BP-D to operate using the facility specified in Construction Permit 0000094444 pending determination of a solution to the problem and modification of the current Construction Permit.
