

**Request for Special Temporary Authority to Operate at Reduced Power**

Word of God Fellowship, Inc. (“WOGF”), the licensee of low power television station WSQY-LP, Spartanburg, South Carolina, hereby respectfully requests Special Temporary Authority to operate at a reduced power of 0.19 kW ERP. This is necessary so that WOGF may complete construction of its displacement permit for channel 29 (See File No. 0000059067). WOGF requests that it be granted a 180 day STA for the WSQY-LP facility or until such time as all construction is complete.
