

2020 EEO PROGRAM REPORT

Period Covered: June 1st, 2019 – May 31st, 2020
CLEVELAND, OHIO OFFICE:
WNWV/Elyria, OH

GENERAL POLICY

It is the policy of The Rubber City Radio Group to provide employment opportunity to all qualified individuals without regard to their race, color, religion, national origin or sex in all personnel actions including recruitment, evaluation, selection, promotion, compensation, training and termination.

It is also our policy to promote the realization of equal employment opportunity through a positive, continuing program of specific practices designed to ensure the full realization of equal employment opportunity without regard to race, color, religion, national origin or sex.

To make this policy effective, and to ensure conformance with the requirements of the FCC, we have adopted an Equal Employment Opportunity Program which includes the following elements:

RESPONSIBILITY FOR IMPLEMENTATION

Our EEO Officer, for the Cleveland Employment Unit, who is responsible for the administration and implementation of our Equal Employment Opportunity Program, is Henry Zelman. Henry reviews the practices of all persons making employment decisions with respect to the recruitment, evaluation, selection, promotion, compensation, training and termination of employees to ensure that our policy and program are adhered to and that no person is discriminated against in employment because of race, color, religion, national origin or sex.

POLICY DISSEMINATION

To assure that all members of the staff are cognizant of our equal employment opportunity policy and their individual responsibilities in carrying out this policy, the following communication efforts are made:

- The station's employment application form contains a notice informing prospective employees that discrimination because of race, color, religion, national origin or sex is prohibited and that they may notify the appropriate local, state or Federal agency if they believe they have been the victims of discrimination.
- Appropriate notices are posted informing applicants and employees that the station is an Equal Opportunity Employer and of their right to notify an appropriate local, state or Federal agency if they believe they have been the victims of discrimination.
- We include a copy of our EEO Policy and Program in personnel manuals, employee handbooks and orientation materials.
- We remind our management staff of our EEO Policy at staff meetings and discuss our EEO Program at these meetings. At all hiring opportunities, involved individuals are specifically reminded of their EEO responsibilities.
- We inform our contacts in the local community of our EEO Policy and our commitment to it. Close community contacts include our Local Chapters of the Urban League, Salvation Army and United Way plus other community groups including Kiwanis, Rotary International and more.

RECRUITMENT

To ensure non-discrimination and foster their full consideration of all qualified candidates whenever full-time job vacancies occur, we utilize the following recruitment procedures:

- We contact a variety of external media outlets, primarily online, where we feel we can reach a significant number of minority and female candidates without regard to race, color, religion, national origin or sexual orientation. Some of these include
 - ZipRecruiter (Online Classifieds)
- In addition to the organizations noted above, which specialize in minority and women candidates, we deal only with employment services, including state employment agencies, which refer job candidates without regard to their race, color, religion, national origin or sex. These employment referral services include:
 - Ohio Media School
 - Ohio Assn. of Broadcasters
- When we recruit prospective employees from educational institutions, such recruitment efforts include schools and colleges with minority and women enrollments. Educational institutions we work with include:
 - Cleveland State University
 - Baldwin-Wallace College
 - John Carroll University
 - The Ohio University
 - Cuyahoga Community College
 - Lorain County Community College
 - University of Akron

- Kent State University
- We encourage current employees to refer qualified minority and women candidates for existing and future job openings.
- We participate in job fairs by station personnel who have substantial responsibility in hiring. During the period, we have participated in the following job fairs:
 - Rubber City Radio Group participated a Career Fair, September 25th, 2019, sponsored by Kent State University. The event was held at the KSU Main Campus and was staffed by RCRG's Mark Biviano, Sr. Vice President. 60 different companies participated and about 230 KSU students attended looking for employment or internships. RCRG interviewed and accepted resumes/applications for 14 qualified students, and forwarded those to HR Director Henry Zelman, or directly to applicable department heads.
 - Rubber City Radio Group co-sponsored a Career Fair, January 29th, 2020, with Ohio Means Jobs. The event was held at their offices in Akron, OH and was staffed by RCRG's Mark Biviano, Sr. Vice President. 30 employers participated and about 275 job seekers attended looking for employment. RCRG interviewed and accepted resumes/applications from several applicants, and forwarded those to HR Director Henry Zelman, or directly to applicable department heads.
 - Job fairs scheduled for March, April or May were cancelled due to Coronavirus concerns.
- We participate in events sponsored by organizations representing community groups interested in broadcast employment issues, including conventions, career days, and workshops. They include.
 - The Ohio Association of Broadcasters
 - The Cleveland Advertising Association

- We maintain a website based employment opportunities page, accessible directly from any of our station's sites, which outlines each of the positions for which we are currently recruiting. Positions that we recruit/interview on an ongoing basis, are also listed.
- TRAINING/INTERNSHIPS
 - We provide on-the-job training to upgrade the skills of our employees.
 - We provide internships or other assistance to individuals, schools, or colleges in programs designed to enable qualified minorities and women to learn about various facets of the business and to compete in the broadcast employment market on an equitable basis. Most of our interns come from the following sources:
 - The University of Akron
 - Kent State University
 - The Ohio Media School
 - We participate on the Board of The Ohio Broadcasters Foundation, which awards scholarships, annually, to college bound seniors who will be studying communications and media. Specifically, our General Manager, Thomas Mandel, President/CEO, serves on the Board of the Ohio Broadcaster's Foundation and the selection committee for the scholarship program. More information about the program can be found at the following website address: <http://oab.org/scholarships>.

SELF-ASSESSMENT

To ensure that our EEO Program is effective in providing equal employment opportunity, we utilize the following procedures every two years.

- We evaluate the productivity of each of our recruitment sources and eliminate those which have been unsuccessful in widely disseminating our vacancies to all qualified applicants. We also supplement our sources with new organizations and other recruitment sources, as needed. One example is a current trend moving to online recruiting and away from Newspaper Classifieds (which no longer generate adequate referrals.)

- We periodically review the composition of our station's workforce for self-assessment purposes. Where under representation of minorities or women exists, we re-examine the station's personnel policies and practices to assure that they do not inadvertently screen out any group.
- We review our job hires to see whether all qualified applicants are considered for every job opening.
- We review our hiring, promotion and seniority practices and results for consistency with our EEO Program.
- We review the salaries and benefits of our employees to discover any inequities relating to minorities and women.

EXHIBIT A

RCRG EEO Plan WNWV/Cleveland Recruitment Sources

When positions become available at Rubber City Radio Group stations, they are advertised by notification to the following mailing list. Some are paid classified advertising sources. Many are schools, and many are community job-board type agencies who let their constituents know about our openings.
