

### **Online Public Inspection File**

The requisite materials were timely provided in the WITD-CD (the “Station”)<sup>1</sup> online public inspection file with the following exceptions:

- 2012 -2013 EEO report (due June 1, 2013) was uploaded into the public file on May 30, 2014 and
- 2014 Class A Eligibility Certification.

---

<sup>1</sup> WITD-CD’s license was last renewed in May 2013. See FCC File No. BRTTA-20120530ABV. WITD-CD and WKTD-CD, both located in the Norfolk, Virginia market, rebroadcast the programming of commonly owned and operated WAVY-TV. WITD-CD, WKTD-CD and WAVY-TV, along with WPMC-CD, WNLO-CD, WVBT(TV), also commonly owned and operated and in the Norfolk market, constitute one station employment unit for EEO reporting purposes.
