

WYSJ-CA  
License Renewal Application-Form 2100 Schedule 303-S  
Character Issues

In a Memorandum Opinion and Order (the “Order”) dated February 6, 2014, DA- 14-142 (File Nos. BTCTTA-20120503ABK, BRTTA-20120601AGM), the Media Bureau found that the conduct of Samuel Jacobs, formerly the owner of 70% of the stock of the licensee, raised a substantial and material issue of fact as to whether Mr. Jacobs possessed the requisite qualifications to be a Commission licensee. The Commission proceeded in the Order to determine that the renewal of the license for WYSJ-CA, and transfer of control of the license to Mr. Neal Rosenbaum, would serve the public interest, and granted the applications for such renewal and transfer. Because these issues were resolved as part of the renewal proceeding for the prior license term, licensee has answered the questions in the renewal application as to character issues in the affirmative and provides this description out of an abundance of caution. The licensee continues to seek a purchaser for WYSJ-CA as contemplated by the Order.
