

Online Public Inspection File

The requisite materials were timely provided in the WDVM -TV online public inspection file with exceptions as detailed below.

The WDVM-TV 2nd Quarter 2017 Quarterly Issues and Programs List, due by July 10, 2017, was uploaded into the station's online public file on August 12, 2017 due to inadvertent oversight.

The WDVM-TV 3rd Quarter 2012 Quarterly Commercial Limits Certification and 4th Quarter 2012 Quarterly Limits Certification were each timely prepared but not manually uploaded into the online public inspection file until January 29, 2013.

The WDVM-TV 2nd Quarter 2017 Quarterly Commercial Limits Certification was timely prepared but not manually uploaded into the online public inspection file until August 12, 2017. The Station confirmed it aired no children's programming during this quarter that was directed at ages 12 and under.

The WDVM-TV 3rd Quarter 2016 Children's Programming Report was timely submitted on October 6, 2016 but was improperly labeled and filed as the 2016 2nd Quarter Report.

To avoid this situation in the future, station personnel responsible for the preparation and submission of the reports will be re-educated as to the Commission's filing protocol.
