

Compliance with Special Operating Conditions or Restrictions

The construction permit for K287CE, Ste. Genevieve, Missouri (Facility ID No. 202839) (File No. BNPFT-20180418AHV), includes 2 special operating conditions or restrictions requiring applicant, Donze Communications, Inc., to detail compliance therewith in this instant license renewal application:

1. This application for an FM translator or FM booster station license, on FCC Form 350, is being filed, as required, prior to K287CE commencing program test operations.
2. Applicant, in coordination with other users of the site will reduce power or cease operation as necessary to protect persons having access to the site, tower, or antenna from radiofrequency electromagnetic fields in excess of FCC guidelines.
