

NBC Telemundo License LLC
K17II-LD, Logan, Utah (FID No. 168494)
Notice of Suspension of Operations

NBC Telemundo License LLC (“NBC”), licensee of Low Power Television Broadcast Station K17II-LD, Logan, Utah (the “Station”), hereby notifies the Commission that the Station has suspended operations due to a malfunctioning transmitter. The manufacturer, Larcan, has gone out of business and limited third-party support is available for this equipment. NBC is, therefore, evaluating various options to replace the transmitter and restore operations.

We will either notify the Commission when full power operations have been restored or file a request for Special Temporary Authority not later than August 14, 2020.
