

**WBMA-LD displacement application amendment, to channel 32
Birmingham, AL – Facility ID No. 60214**

This amendment is to resolve a Mutually Exclusive situation with W21DM-D Tuscaloosa AL (BLANK-0000051652). The two facilities are 21.5 km apart and they both propose to use channel 35. To resolve this MX problem, by this amendment WBMA-LD proposes to use channel 32 instead.

This amendment is also changing the directional antenna pattern and make/model information.

An Interference Check with TVStudy 2.2.5 with WBMA-LD on channel 32 with 15 kW ERP using a directional pattern is included.

The applicant acknowledges and accepts that WBMA-LD may not commence use of channel 32 until after WAAY-TV 32 Huntsville AL changes to channel 17 (Phase 2) as part of the repack.
