

New Control Point

This exhibit is to provide additional control point information for WVTM-TV, Birmingham, Alabama (Facility ID No. 74173).

Effective immediately, WVTM-TV will have a new control point at 700 Coliseum Drive, Winston-Salem, North Carolina 27106. Additionally, WVTM-TV still maintains a control point at 1732 Valley View Drive, Birmingham, Alabama 35209, which is the address of both its studio and transmitter site, and 1021 N. Wymore Road, Winter Park, Florida 32789.

In addition, a password-protected, encrypted VPN communication system permits the licensee's authorized operators to control WVTM-TV remotely from virtually any location via remote control software operable on secure devices such as a laptop computer.
