

WTGL, Leesburg, FL (Fac. Id. 9881)
Renewal Application
Biennial Ownership Report

WTGL filed three ownership reports during the license term on September 6, 2014, December 18, 2017 and December 5, 2019 respectively. An ownership report was not filed in 2016 because the members of the board of directors and their voting control remained unchanged from the 2014 ownership report, and the most recent, complete and accurate ownership report was already in the public file.
