Ms. Olga Madruga-Forti  
Chief, Global Strategy and Negotiation Division  
International Bureau  
Federal Communications Commission  
445 12th Street, SW  
Washington, DC 20554 USA

Dear Ms. Madruga-Forti,

This is with reference to your letter of 27 August 2020 requesting comments on the following LPFM proposal:

- |   |  |
|---|--|
| 1. City, State:                           | Greece, NY   |
| 2. Transmitter Location: (NAD83)          | 43° 09' 51.10" North Latitude<br>77° 47' 01.40" West Longitude |
| 3. Channel Number:                        | 257LPFM  |
| 4. Call Sign:                             | W283DM(FM)   |
| 5. Effective Radiated Power:              | 250 Watts max. (H&V)   |
| 6. Height Above Average Terrain:          | 87.2 metres  |
| 7. Radiation Centre Above Mean Sea Level: | 242.4 metres   |
| 8. Antenna System:                        | Omnidirectional  |

This administration has no objection to the above proposal as notified provided that interference is not caused to the direct reception within this country of any Canadian FM broadcast station(s). Moreover, the proposed low power stations cannot be given protection by existing or future allotted channels.

Sincerely,

Line Perron  
Director  
Broadcasting, Coordination and Planning  
Spectrum Management Operations Branch
