

## **REQUEST FOR SPECIAL TEMPORARY AUTHORITY**

Alejandro Luciano respectfully requests special temporary authority to operate Station W08EJ-D, Anasco, Puerto Rico, at variance from its licensed parameters, with the facilities described herein. W08EJ-D licensee, Alejandro Luciano, has arranged to operate from a temporary location at reduced power while tower repairs are performed on its main facility tower. W08EJ-D will be operating from a tower located at 18 -19 -25.8N, 67 10 11.6 W. (NAD 83), as proposed herein.

A grant of the instant request will permit the station to resume over-the-air service to the public, which would serve the public interest. As such, Alejandro Luciano requests special temporary authority for a six-month period to operate as provided in the instant STA Request.
