Re: W296DD, Jackson, MS (FIN 156564; INTERFERENCE Complain
Under 47C.F.R. 874.1203.

Dear Ms. Dortch:

Zoo-Bel Broadcasting, LLC ("Zoo-Bel") is the licensee of WBYP-FM, Belzoni, MS. Zoo-Bel has filed a number of complaints with the Commission asserting that FM translator W296DD has interfered with the reception of WBYP-FM. The most recent such complaint was received by the Commission on September 28, 2017. Such complaints are referred to herein, collectively, as the "Complaint".

On October 11, 2017, the Commission issued a letter to New South Radio, Inc. ("New South"), the licensee of W296DD requesting that New South respond to the Complaint.

Zoo-Bel and New South have reached an agreement in principal for New South to purchase the license and other assets of WBYP-FM, Belzoni, MS from Zoo-Bel. Part of the consideration called for under the agreement is for Zoo-Bel to withdraw the Complaint prior to the closing of the sale purchase transaction. In order to comply with its obligations under the aforesaid agreement, Zoo-Bel hereby withdraws the Complaint and requests that the Commission terminate, and take no further action with respect to, the proceedings regarding the Complaint. In the unlikely event that the aforesaid transaction fails to close, Zoo-Bel expressly reserves the right to thereafter refile the Complaint.

Very truly yours,

Colon Johnston
