**REQUEST FOR EXTENSION OF SPECIAL TEMPORARY AUTHORITY**

Request Television, Inc. (“REQUEST”) by its attorneys, hereby requests an extension of the Engineering Special Temporary Authority granted by the Commission on March 3, 2020 under File No.: 0000106686 and states as reasonable grounds as follows:

1. Since grant of the STA, REQUEST has diligently made progress towards relocating to a new permanent location. However shutdowns and reopening within the State of Florida related to COVID-19 quarantines have elongated the regular course of business in the local area.
2. REQUEST had anticipated this process to be completed by this time under the current STA granted at the time of its application, however, more time is needed by REQUEST to assess, survey, and finalize plans for the new site.

REQUEST respectfully seeks an extension of the Engineering STA granted by the Commission on March 2020 under File No.: 106686 for an additional six (6) months to follow through with the process. REQUEST respectfully requests that the Extension of the Engineering STA be granted covering the period from September 2020 forward a six (6) month period up and until March 2021 or other such time as the Commission sees fit in light of the circumstances.

Respectfully Submitted on this September 10, 2020
