

Minor Modification of Construction Permit BNPFT-20171213ABT**W287DE, Orleans, MA, FCC Facility ID # 200242****AM Fill-In Service Showing**

The primary station is WFPB (AM), Orleans, MA, FCC Facility ID # 8591.

The map demonstrates that the proposed black 60 dBu f(50,50) contour falls entirely within the blue 25 mile circle about the WFPB transmitter. The proposal therefore qualifies as fill-in service for WFPB.
