

The map displays the Philadelphia metropolitan area and surrounding regions, including parts of Pennsylvania, New Jersey, and Delaware. Key features include:

- Radio Frequency Contours:**
  - Green Contour (60 dBμ):** Represents the service area for WJBR-FM.
  - Red Contour (40 dBμ):** Represents the service area for W281CL.
  - Orange Contour (54 dBμ):** Represents the service area for W281CM.
- Geographic Labels:** Numerous cities and towns are labeled, including Philadelphia, Camden, Trenton, and various suburban areas.
- Coordinates:** The map includes latitude and longitude markings along the edges.
- Scale:** A scale bar at the bottom left indicates distances in kilometers (km).
- Proposed Station:** A blue dot labeled "Proposed" is located near the center of the map, within the 60 dBμ contour.
