

Justification to Extend STA for W27DZ-D (W47DM-D)

The instant request seeks continued authorization most recently extended in LMS File No. [0000112370](#) to operate temporarily on channel 27 during the pendency of the DTS minor modification application for WUNW in File No. [0000113389](#). No operating parameters have changed since the time the STA was originally granted.
