Late-Filed License Renewal Application

The licensee, Central Florida Broadcast, Inc. ("CFBI"), acknowledges and regrets the fact that this renewal application is being filed several days after the October 1, 2020 deadline established by application of Sections 73.3539(a) and 74.789 of the Commission's Rules. CFBI is a small broadcaster that owns no other stations other than W21AU-D. Regrettably, as a result of the novel Covid-19 pandemic, CFBI's attention was diverted and the company simply overlooked its renewal filing date. CFBI apologizes for the untimeliness of its renewal application and requests the application be granted in due course.

Rebroadcast Status and Consent

Station W21AU-D originates programming and does not rebroadcast the signal of a full power TV, Class A TV or LPTV station.

Biennial Ownership Reports

In preparing its license renewal filing, CFBI realized that it had not timely filed its 2017 and 2019 Biennial Ownership Reports due by March 2, 2018, and January 31, 2020, respectively. CFBI sincerely regrets the oversight, and on October 27, 2020, submitted a Biennial Ownership Report reflecting ownership of W21AU-D as of October 1, 2019.
