

W256BS 99.1 OLEAN MACDUFFY APPLICATION INFORMATION

This application proposes to modify BLFT-20170620AAH, the W256BS License. This application proposes a different height, location, and antenna. Included as an exhibit is a map showing that this proposed location's 60 dBu contour overlaps the current Licensed 60 dBu contour of W256BS. As such, a Minor Change is allowable.

It should be noted that this FM Translator proposal will rebroadcast FM station WPIG, Olean, NY (Fac. ID number 2864).
