

Multicast Disclosure

Nexstar Inc. (“Nexstar”), licensee of WFXQ-CD, Springfield, Massachusetts (Fac. ID 2650), RF Channel 21 proposes to: (1) transition its current primary ATSC 1.0 – .1 NBC programming to commonly owned station WWLP(TV), Springfield, Massachusetts (Fac. ID 6868), RF Channel 11, and commence ATSC 3.0 operations from its current facility. To comply with Commission requirements, an application for WWLP(TV) to be the 1.0 host station for WFXQ-CD is being filed contemporaneously with this application.
