

**Online Public Inspection File**

Since SM-KFTI, LLC (“Licensee”) became the licensee of KFTI(AM), Wichita, Kansas (Facility ID No. 72356) (“KFTI”), on November 1, 2018 (*See* CDBS File No. BAL-20180828AAP), Licensee failed to comply with certain Online Public Inspection File (“OPIF”) requirements for KFTI:

**Section 73.3613 Contracts and Documents.** Licensee inadvertently failed to upload a list of the contracts and other documents required under Section 73.3613 of the Commission’s rules to KFTI’s OPIF by the requisite deadline. The missing list has now been uploaded to KFTI’s OPIF.

**Political File Reports.** Licensee inadvertently failed to upload immediately 1 Political File Report to KFTI’s OPIF. The report was subsequently uploaded to KFTI’s OPIF. Licensee will endeavor in the future to comply promptly with all Political File reporting requirements for KFTI.

**Annual EEO Public File Report.** Licensee inadvertently failed to upload the 2018-2019 Annual EEO Public File Report to KFTI’s OPIF by the requisite deadline. The report was subsequently uploaded to KFTI’s OPIF.
