

REDUCED POWER NOTIFICATION

DTV America Corporation (“Licensee”) submits this reduced power notification for a Low Power television station.

Public Interest Benefits. The station’s transmitter is unable to make full power and is currently running at 23% power. The station began reduced power operations on October 30, 2020. The transmitter has a defective amplifier and a replacement part has been ordered from the manufacturer. Once the replacement part is received and installed, the station will return to full power operations. Grant of Licensee’s reduced power notification promotes the public interest. The reduced power grant will allow KPKN-LD to continue to provide free over-the-air programming to the community and the surrounding area.

Conclusion. Licensee respectfully requests that the Commission grant this Reduced Power Notification for KPKN-LD.
