I, Ted Johnson, hereby declare under penalty of perjury that I supervised the installation of the WNTC antenna at the WNTC Transmitter Site, (City of Portland Water Tower/Highway 52), Portland, Tennessee on November 20, 2020.

I am familiar with the terms and conditions of the WNTC (formerly WBGB) Construction Permit BPED-20170526ABK and the installation requirements for the station's yagi FM antenna.

The antenna installation was performed by Middle Tennessee Two-Way, Incorporated of Shelbyville, Tennessee under the supervision of Middle Tennessee Two-Way's Mr. John Hettish and myself. Our combined experience in the telecommunications industry spans over a century and is well known to the Commission.

The antenna's orientation was certified by a licensed and registered surveyor. The surveyor's statement is incorporated herein.
