

Online Public Inspection File

During the last license renewal term,¹ Mt. Rushmore Broadcasting, Inc. (“Licensee”), licensee of KZMX-FM, Hot Springs, South Dakota (Facility ID No. 46712) (“KZMX-FM”), complied with Online Public Inspection File (“OPIF”) requirements with respect to KZMX-FM – except that a list of documents within the scope of Section 73.3613 of the Commission’s rules was not uploaded by the March 1, 2018 deadline. The list, however, did appear in Licensee’s amended Ownership Report filed May 31, 2018.

Licensee endeavors to keep KZMX-FM’s OPIF up to date and has been advised by Fletcher, Heald & Hildreth, P.L.C., a communications law firm, for several years. That firm has reviewed KZMX-FM’s OPIF in preparation of this instant license renewal application.

¹ KZMX-FM’s last license renewal was granted November 6, 2018. *See* File No. BRH-20180629AAG.
