### Agreement

NOW, THEREFORE, taking the foregoing recitals into account and in consideration of the mutual covenants and agreements contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, hereby agree as follows:

1. Term. The term of this Agreement (the "Term") will begin at 12:01AM on December 2nd, 2020 (the "Commencement Date") and will continue until the date six (6) months after the Commencement Date, unless earlier terminated pursuant to this Agreement, the terms of the Purchase Agreement, or consummation of the transactions contemplated by the Purchase Agreement. In the event that Closing on the transaction contemplated by the Purchase Agreement does not occur by the date provided in the Purchase Agreement, or such extended date as agreed to by the Buyer thereunder, then this Agreement shall continue on a month to month basis on terms to be negotiated in good faith between Licensee and Programmer.

2. Programmer's Purchase of Airtime and Provision of Programming. During the Term, Programmer shall purchase from Licensee airtime on the Station for the price and on the terms specified below, and shall transmit to Licensee programming (the "Program" or "Programs") for broadcast on the Station twenty-four (24) hours per day, seven (7) days per week, except for periods of regularly scheduled or necessary maintenance and excluding the period from 5:00 a.m. to 7:00 a.m. each Sunday morning on the Station (the "Licensee's Time"), at which time Licensee may, but is not required to provide programming to the Station (the "Broadcasting Period"). Licensee shall have the right to provide all programming and sell all advertising during the Licensee's Time and shall retain all revenues attributable to the Licensee's

Time. Programmer will transmit, at its own cost, its Programs to the Station transmitting facilities via a mode of transmission (e.g., satellite facilities, microwave facilities and/or telephone lines) that will ensure that the Programs meet technical and quality standards reasonably acceptable to Licensee. Notwithstanding anything herein to the contrary, the Station shall continue to broadcast any programming required to be aired under the terms of the Contracts (as defined in the Purchase Agreement) existing on the date of this Agreement.

3. Broadcasting Obligations. In return for the payments to be made by Programmer hereunder, during the Term, Licensee shall broadcast the Programs delivered by Programmer during the Broadcasting Period specified in Section 2 above, subject to the provisions of Section 6 below.

4. Advertising Sales; Accounts Receivable. Programmer will be exclusively responsible for the sale of advertising on the Station and for the collection of accounts receivable arising therefrom, except with respect to the Licensee's Time, which shall be for the sole benefit of Licensee. Programmer shall be entitled to receive all revenues of the Station arising or accruing from Programmer's sale of advertising during the Term. Licensee shall retain the right to all accounts receivable and other revenues of the Station arising, accruing or related to the period prior to the date hereof and for all revenues and accounts receivable relating to the Licensee's Time, both prior to and after the date hereof. All contracts for advertising on the Station that may be entered into by Programmer shall terminate upon the termination of this Agreement (other than a termination pursuant to Section 9) and shall be the sole responsibility and liability of Programmer.

5. Term Payments. For the broadcast of the Programs and the other benefits made available to Programmer pursuant to this Agreement, during the Term, Programmer will compensate Licensee as set forth on Schedule A attached hereto.

6. Operation, Ownership and Control of the Station. Notwithstanding anything to the contrary in this Agreement, as long as Licensee remains the licensee of the Station, it will have full authority, power and control over the operation of the Station. Licensee will bear the responsibility for the Station's compliance with all applicable provisions of the rules and policies of the FCC and all other applicable laws. **Without limiting the generality of the foregoing, Licensee will: (1) employ a full time General Manager for the Station, who will report to Licensee and will direct the day-to-day operations of the Station, and who shall have no employment, consulting, or other relationship with Programmer, (2) employ another person of Licensee's selection for the Station, who will report and be solely accountable to the Station's General Manager, and (3) retain control over the policies, programming and operations of the Station.** Nothing contained herein shall prevent Licensee from (a) rejecting or refusing programs which Licensee believes to be contrary to the public interest, or (b) substituting programs which Licensee believes to be of greater local or national importance or which are designed to address the problems, needs and interests of the local community. Licensee reserves the right to refuse to broadcast any Program containing matter which violates any right of any third party or which constitutes a "personal attack" as that term has been defined by the FCC. Licensee also reserves the right to refuse to broadcast any Program which does not meet the requirements of the rules, regulations, and policies of the FCC or the regulations and restrictions set forth in Sections 10 and 11, hereof. Licensee further reserves the right to preempt

any Program in the event of a local, state, or national emergency. If Licensee preempts, rejects or otherwise refuses to broadcast any Program, then Licensee shall broadcast substitute programming of equal or greater value to Programmer. Programmer agrees to cooperate with Licensee to ensure that EAS transmissions are properly performed in accordance with Licensee's instructions. Licensee reserves the right to delete any commercial announcements that do not comply with the requirements of the FCC's sponsorship identification policy. Programmer will immediately serve Licensee with notice and a copy of any letters of complaint it receives concerning any Program for Licensee review. Programmer agrees that neither it nor its agents, employees, consultants or personnel will accept any consideration, compensation, gift or gratuity of any kind whatsoever, regardless of its value or form, including, but not limited to, a commission, discount, bonus, material, supplies or other merchandise, services or labor (collectively "Consideration"), whether or not pursuant to written contracts or agreements between Programmer and merchants or advertisers, unless the payer is identified in the program for which Consideration was provided as having paid for or furnished such Consideration, in accordance with the FCC rules, regulations and policies. Programmer shall provide Licensee with payola affidavits, substantially in the form attached hereto as Schedule C, signed by such of Programmer's employees and at such times as Licensee may reasonably request in writing, and shall notify Licensee promptly of any violations it learns of relating to the Act, including Sections 317 and 508 thereof.

During the Term, Licensee will maintain in full force and effect in its own name all music licenses ("Music Licenses") as are currently operative with respect to the Station and as will be required by the licensor of those Music Licenses. All Music Licenses fees during the Term shall be reimbursed by Programmer.

10. Programs.

10.1 Production of the Programs; Program Format. Programmer agrees that all of the programming, advertising and promotional material Programmer broadcasts on the Station shall be in compliance with the rules, regulations and policies of the FCC. All programming shall be subject to the regulations prescribed in Schedule B hereto. Programmer agrees that it will consult with Licensee in the selection of the Programs it transmits to Licensee to ensure that the Programs' content contains matters responsive to issues of public concern in the local communities, as those issues are made known to Programmer by Licensee. Licensee acknowledges that ownership of the Programs, and all parts thereof, and the right to authorize their use in any manner and in any media whatsoever, shall be and remain vested in Programmer.

10.2 Political Time. Licensee shall oversee and take ultimate responsibility with respect to the provision of equal opportunities, lowest unit charge, and reasonable access to political candidates, and compliance with the political broadcast rules of the FCC. Programmer shall cooperate with Licensee as Licensee complies with its political broadcast responsibilities, and shall supply such information promptly to Licensee as may be necessary to comply with the political time record keeping and lowest unit charge requirements of federal law. In particular, Programmer shall deliver to Licensee within one (1) business day of receipt by Programmer all PB-19 political advertising contracts and sales orders for Licensee to upload to the Station political file. To the extent that Licensee believes necessary, in its sole discretion, Programmer shall release advertising availabilities to Licensee during the Broadcasting Period to permit Licensee to comply with the political broadcast rules of the FCC and the provisions of *Section 315 of the Communications Act of 1934, as amended*; provided, however, that revenues received by Licensee as a result of any such release of advertising time shall promptly be remitted to Programmer.

11. Expenses. During the Term, Programmer will be responsible for (i) the salaries, taxes, insurance and related costs for all personnel used in the production of the Programs supplied to Licensee, (ii) the costs of delivering the Programs to Licensee, and (iii) all additional utility and costs which are not covered by the Licensee in the ordinary course of station operations. Licensee shall be responsible, subject to reimbursement by Programmer as herein provided, for (x) normal station operational costs such as utilities, telephone, taxes and insurance, (y) general signal maintenance and (z) all its personnel necessary for management of Licensee's operations at the Station. The Parties specifically agree and understand that the Programmer shall reimburse Licensee for all actual documented costs noted above.

12. Call Signs. During the Term, Licensee will retain all rights to the call letters of the Station or any other call letters which may be assigned by the FCC for use by the Station, and will ensure that proper Station identification announcements are made with such call letters in accordance with FCC rules and regulations. Programmer shall include in the Programs it delivers for broadcast an announcement at the beginning of each hour of such Programs to identify such call letters, as well as any other announcements required by the rules and regulations of the FCC. Programmer is specifically authorized to use such call letters in its Programs.

13. Events of Default; Termination.

No termination pursuant to this Section 13 shall relieve any party of liability it would otherwise have for breach of this Agreement, including, without limitation, any action by Licensee for the collection from the Programmer of any unpaid balances due hereunder or for any damages resulting from a termination due to Programmer's breach hereof. A termination of this Agreement pursuant to Section 13.1 shall also serve as a termination of the Purchase Agreement.

14. Indemnification. Programmer shall indemnify and hold Licensee harmless against any and all liability that results from a breach by Programmer of any of its representations, warranties, covenants or agreements contained in this Agreement, or for libel, slander, illegal competition or trade practice, infringement of trademarks, trade names, or program titles, violation of rights of privacy, and infringement of copyrights and proprietary rights resulting from the broadcast of the Programs on the Station. result in a breach of, or constitute a default or ground for termination under any agreement to which it is a party or by which it is bound.

16. Modification and Waiver; Remedies Cumulative. No modification of any provision of this Agreement will be effective unless in writing and signed by all parties. No failure or delay on the part of Programmer or Licensee in exercising any right or power under this Agreement will operate as a waiver of such right or power, nor will any single or partial exercise of any such right or power or the exercise of any other such right or power. Except as otherwise provided in this Agreement, the rights and remedies provided in this Agreement are cumulative and are not exclusive of any other rights or remedies which a party may otherwise have.
