**Public File Explanation**

KGBI-FM's 2018-19 EEO public file report was uploaded three days late on February 4, 2019. It is believed that an attempted upload of the report on Friday, February 1, 2019 failed and that the February 4<sup>th</sup> reattempt was successful. KGBI-FM respectfully requests that this single online public file upload delay be considered *de minimis* given its overall compliance with the public file rule.
