RE: WDOX-LD, Facility: 182904

To Whom This May Concern:

As a result of the television repack, DTV America Corporation's WDOX-LD was displaced. The station went silent on 23 January 2020 and filed a Silent Special Temporary Authority (STA) on 29 January 2020 (File No. 0000101684). The Silent STA was granted 29 January 2020 with an expiration date of 29 July 2020. The STA extension request inadvertently was not filed because there was an assumption that the build-out would be completed within the STA period, but instead was completed approximately 2 weeks later. The station resumed operations on 13 August 2020 and filed a License to Cover (0000120484) on 17 August 2020 which remains pending. The station resumed operations on 13 August 2020, prior to its 312(g) deadline of 23 January 2021.

Sincerely,

Kurt Hanson
