SC	8:30:05 AM	9:00:05 AM	Voyager with Josh Garcia was incorrectly trimmed into the Vets Saving Pets ID (VEPEWE). Vets Saving Pets was trimmed into the Voyager ID (VOGAWE). Consequently, Voyager aired in Vets' time slot.		The ITX Name in the satellite schedule for Voyager and Vets hasn't been correct since we've started segmenting them manually. Voyager should be VOGAWE. Vets should be VEPEWE. This may have contributed to the error.
SC	11:00:05 AM	11:30:05 AM	Vets Saving Pets ran in Voyager with Josh Garcia's time slot. See above.
