OPPOSITION

Windy City Broadcasting, LLC (“Windy City”), by its attorney, submits its Opposition to the October 5, 2020 Letter Objection to the above-referenced renewal. In support, Windy City respectfully submits the following:

The Letter Objection is signed by Albert David (“David”) (Attachment A). Mr. David’s objection is predicated on errors contained in the application. Specifically, the on-air status and identification of which station was being rebroadcast.

At the outset, it should be noted that there are several procedural deficiencies with respect to Mr. David’s submission. Mr. David’s submission is violative to Section 1.47 of the Commission’s rules. That Section provides, *inter alia*, the following:

“(b) Where any person is required to serve any document filed with the Commission, service shall be made by that person or by his representative on or before the day on which the document is filed.

(d)...documents may be served upon a party, his attorney, or other duly constituted agent by delivering a copy or mailing a copy to the last known address. *See* § 1.736. Documents that are required

to be served must be served in paper form, even if documents are filed in electronic form with the Commission, unless the party to be served agrees to accept service in some other form.

(e) Delivery of a copy pursuant to this section means handing it to the party, his attorney, or other duly constituted agent; or leaving it with the clerk or other person in charge of the office of the person being served;...

(g) Proof of service, as provided in this section, shall be filed before action is taken. The proof of service shall show the time and manner of service, and may be by written acknowledgement of service, by certificate of the person effecting the service, or by other proof satisfactory to the Commission..."

The Letter bears no certificate of service nor other indicia that the submission was served on Windy City or its counsel. In point of fact, undersigned counsel only received the letter pursuant to transmission by Bureau counsel. Furthermore, Windy City did not receive a copy of the submission.

Section 1.52 of the Commission's rules states, *inter alia*, the following:

"A party who is not represented by an attorney shall sign and verify the document and state his address."

Mr. David, presumably not an attorney,¹ did not verify the submission.

From the foregoing, it is clear that the Letter Objection is deficient. Thus, it should be summarily dismissed. However, should the Commission choose to ignore the procedural infirmities, Windy City submits the following with respect to the substantive arguments.

The station, W280EM, went silent on August 17, 2020. See the attached Notification of Suspension of Operations/Request for Silent Authority STA (Attachment B). The failure to timely submit the request was inadvertent. In addition, the pending renewal has been amended to reflect the silent status (Attachment C). It should also be noted that the station was

¹ There is no indication on the face of the document that Mr. David is an attorney.

rebroadcasting the signal of WLEY, not WTMX.² The aforementioned errors were inadvertent and have been addressed by way of filing an amendment. These deficiencies should not result in a denial of renewal. Thus, it is urged that the Letter Objection be denied and the W280EM renewal be granted.

Respectfully submitted,

Informal Objection

Good evening,

I am writing to file an informal objection to the renewal application of W208EM, Chicago, IL, File No. 0000119009, Facility ID No. 140763, as the licensee certified two claims in their renewal application which are falsehoods. In their renewal application the licensee, Windy City Broadcasting, LLC, certified that the station is currently on the air. This is incorrect, as the station is currently off the air, and has been off the air since at least May of 2020, without having been granted an STA to remain silent. Additionally, the licensee certified that the station rebroadcasts WTMX. While this translator did at one time rebroadcast WTMX HD-2, for the last several years prior to going silent it rebroadcast WLEY-FM HD-2. In light of these two false claims on the station's renewal application, I feel that its application should be denied.

Sincerely

Albert David
