Program		Subject		Brief	
Xploration Awesome Planet		Air-Schedule Concern		Wrong air time and house ID	

Explanation

Due To the current Situation this set of circumstances is considered a operator error on my part.

XPLORATION PLANET aired at 07:30 AM this Morning instead of 09:00 AM
However XPLORATION LIFE was moved to 09:00 AM on 12/26/2020

The IDs were put in wrong
XPloration Awesome Planet ID for 12/26/2020 EIXPSA
XPloration LIfe ID for 12/26/2020 EIXPSA-A

Action

This was an MCR ingest error, Awasome Planet was ingested on the Life Media ID by MB. Life was then ingested on EIXPSA-A to air at 9am. All other kids shows aired at normal times.
