Public File Exhibit**

In preparing its license renewal filing, the Station conducted an audit of its online public file. It determined that following material was not timely uploaded to the online public file:

The Commercial Limits Certification for 4Q 2012 was uploaded on 2/4/2013.
The Commercial Limits Certification for 1Q 2013 was uploaded on 4/11/2013.
The Commercial Limits Certification for 2Q 2013 was uploaded on 7/11/2013.
The Commercial Limits Certification for 3Q 2016 was uploaded on 10/11/2016.

The Issues and Program Report for 1Q 2013 was uploaded on 4/11/2013.
The Issues and Program Report for 2Q 2013 was uploaded on 7/11/2013.

Additionally, the Station determined that amendments were needed to the Children's Programming Reports filed for 4Q 2012, 1Q 2013, 2Q 2013, 3Q 2013, 4Q 2013, 1Q 2014 and 2Q 2014. Because the previous version of the Children's Programming Report form can no longer be accessed, the Station has uploaded an explanation of the edits to its online public file consistent with the guidance provided by Public Notice, DA 19-1186 (Nov. 15, 2019).

Political File

The Station is committed to uploading political file material as soon as possible consistent with Commission guidance. In reviewing the political file material uploaded over the past two-years, the Station determined that a limited number of orders were not uploaded within one business day. The licensee provided training for staff responsible for uploading political file material to the online file in March 2020 to reinforce the importance of uploading all political material promptly.
