

Narrative Statement of Outreach Efforts

Educational Broadcasting Foundation, Inc., licensee of WLAE-TV, seeks to achieve broad and inclusive outreach. Examples of the efforts made by WLAE-TV include participation in actual and virtual elementary, high school and college career days and job fairs; establishing and managing an internship program for local university students; establishing and maintaining a Freelance Pool to allow community individuals to gain broadcast production experience; giving station tours; and conducting job shadows.

For details concerning the outreach efforts undertaken by WLAE-TV, please see the attached EEO Public File Reports.

During the two-year period covered by this Broadcast Equal Employment Opportunity Program Report through the date of its filing, WLAE-TV has experienced no notable difficulties in its outreach efforts.
