CHILDREN'S EDUCATIONAL REPORT ADDENDUM

What follows is an addendum to the Annual Children's Report (Form 2100, Schedule H) filed by KBSI-TV, Cape Girardeau, Mo., for the period of:

January 1, 2020 through December 31, 2020

This list reflects broadcast efforts by KBSI, which provided additional value towards the educational and informational needs of children, beyond the programming noted in the Annual Children's Report.

The order in which the issues appear does not reflect any priority or significance.
The list is by no means exhaustive.

KBSI-TV 2020 CHILDREN'S EDUCATION REPORT ADDENDUM

Program: Notre Dame Winter Xtravaganza PSAs

Broadcast Date/Time: January 1-5/various

Length: 30 sec

Source: Local

Description: KBSI produced and aired PSAs promoting Notre Dame High School's Winter Xtravaganza fundraising event held January 25th in Cape Girardeau, Mo.

Program: Teen Kids News

Broadcast Date/Time: Sundays, January 5-September 27/5:30am

Length: 30:00

Source: Syndicated

Description: This half-hour educational program, designed for children ages 13-16, aired outside of the designated core programming time period.

Program: Wild America

Broadcast Date/Time: Sundays, January 5-August 30/6:00am

Length: 30:00

Source: Syndicated

Description: A half-hour educational program, designed for children ages 13-16. However, the Sunday airings from January 5th to August 30th were repeats of the episode which had aired the previous day; and therefor were not counted as core programming.

Program: River Tales

Broadcast Date/Time: Saturday, March 14/5:01am

Saturday, June 20/5:01am

Saturday, September 5/5:01am

Length: 9:19

Source: Local

Description: Profile of the Honorable Young Men Program, founded by Cantrell Andrews, Kweku Arkorful and Wyky Jean, which was created to help offer positive reinforcement to students with behavioral difficulties at the Cape Central Middle School. Each of the three founders offer insight into their backgrounds and how they are using their own personal experiences to create positive role models for the young men, giving advice on how to communicate their feeling and how to avoid difficulties by finding ways to better use their energy for positive opportunities and achievements.

KBSI-TV 2020 CHILDREN'S EDUCATIONAL REPORT ADDENDUM cont.

Program: Cape Chronicle

Broadcast Date/Time: Saturday, April 18/5:02am

Length: 10:50

Source: Local

Description: Interview with Leigh Ragsdale, principal of Jefferson Elementary School in Cape Girardeau, Mo., to discuss the school's effort to improve the image and culture surrounding the school. Ms. Ragsdale discusses how the changes started with cosmetic improvements, and grew by creating an environment of positivity and encouragement, including starting the day with a pep rally for the students and teachers. She also has changed from emphasizing parent and student conferences, to including the whole family, and streaming Family-Teacher Organization meetings live on Facebook. The school has also adopted a STREAM based curriculum (Science, Technology, Research, Engineering, Arts and Mathematics), with an emphasis on Project Based Learning techniques.

Program: Outside the Classroom – Earth Day Edition

Broadcast Date/Time: April 25/5:00am

Length: 30:00

Source: Syndicated

Description: Meteorologist Ryan Miller hosted this celebration of the 50th anniversary of Earth Day. The special gives viewers information on the importance of keeping our planet clean, such as the medical and psychological benefits of spending time outdoors in nature. The special also offers information on simple things viewers can do to help nature thrive and what they can do to lessen the impact of pollution on their environment.

Program: Graduate Together: America Honors the High School Class of 2020

Broadcast Date/Time: May 16/7:00pm

Length: 60:00

Source: Network

Description: After the cancellation of numerous high school graduations across the country due to the coronavirus pandemic, this special brings together celebrities and educators to offer inspirational messages and commencement addresses to those students, whose lives and education have been disrupted.

Program: Xploration Outer Space

Broadcast Date/Time: Saturdays, September 5-December 25/5:30am

Length: 30:00

Source: Syndicated

Description: This half-hour educational program, designed for children ages 13-16, aired outside of the designated core programming time period.
