Sinclair Bakersfield Licensee, LLC
January 1, 2020 thru December 31, 2020
FCC Form 2100 – 7 Day Makegood Policy Exhibit

The licensee has put forth its best efforts to makegood all preempted E/I Programs within the 7Day window as required by the FCC. Several makegoods landed outside that 7Day window, but were in fact madegood, airing in their entirety. Reasoning is solely due to scheduling conflicts because of network programming, local news, and/or time restraints.
