

## **ONLINE PUBLIC INSPECTION FILE EXHIBIT**

The Quarterly Issues/Programs lists are uploaded and complete, however, in completing the renewal application, that while in the paper public file:

- 2018 Quarter 3 was uploaded 4 days late;
- 2018 Quarter 3 was uploaded 5 days late;
- 2020 Quarter 1 was uploaded March 20, 2020, but was “timely” due the FCC’s COVID extension notice in DA 20-353; and
- 2020 Quarter 3 was uploaded 1 day late.

Accordingly, the lists for 3 quarters were uploaded just a few days late, which is an aberration from the station’s normal procedures and unlikely to occur again.
