

**SECOND AMENDMENT TO
LICENSE RENEWAL APPLICATION**

The instant amendment is being filed to update the renewal application (“Application”) filed for noncommercial educational television station WVPB-TV (“Station”) to provide additional information regarding its online public inspection file (“OPIF”) in response to questions from the staff.

In its Application, the Station indicated that it had late-filed six of its issues and programs reports. The six late-filed issues and programs reports covered the following periods:

1. Q2 2013 – April 1, 2013 through June 30, 2013 (uploaded October 1, 2013);
2. Q1 2014 – January 1, 2014 through March 31, 2014 (uploaded April 17, 2014);
3. Q2 2016 – April 1, 2016 through June 30, 2016 (uploaded October 18, 2016);
4. Q3 2016 – July 1, 2016 through September 30, 2016 (uploaded October 18, 2016);
5. Q2 2017 – April 1, 2017 through June 30, 2017 (uploaded July 11, 2017); and
6. Q2 2018 – April 1, 2018 through June 30, 2018 (uploaded July 12, 2018).

The Station also disclosed in its Application that it had inadvertently failed to upload six issues and programs reports for the Station, and that it uploaded these issues and programs reports in May 2020 upon discovery. These three issues and programs reports covered the following periods:

1. Q1 2012 – January 1, 2012 through March 31, 2012;
2. Q2 2012 – April 1, 2012 through June 30, 2012;
3. Q3 2017 – July 1, 2017 through September 30, 2017;
4. Q4 2018 – October 1 through December 31, 2018;
5. Q1 2019 – January 1, 2019 through March 31, 2019; and
6. Q2 2019 – April 1 through June 30, 2019.

The first two reports, covering Q1 and Q2 2012, fall outside of the current renewal period, which commenced on September 27, 2012, the date on which the Station’s last license renewal application was granted.

In addition to the above, the Station notes that it filed the issues and program report for the period from September 1, 2020 through December 31, 2020 on January 15, 2021.
