

Multiple Ownership Compliance Analysis

The parties to this application, through SummitMedia and its licensee subsidiaries listed below (collectively, “SummitMedia”),¹ have attributable interests in 4 full-power broadcast stations which are listed as “home” to the Knoxville, TN Market (“Knoxville Market”) by BIA:

<u>Licensee</u>	<u>Station</u>	<u>Type</u>	<u>Community of License</u>	<u>State</u>	<u>Facility ID No.</u>
SM-WCYQ, LLC	WCYQ	FM	Oak Ridge	TN	49923
SM-WKHT, LLC	WKHT	FM	Knoxville	TN	40854
SM-WNOX, LLC	WNOX	FM	Karns	TN	29741
SM-WWST, LLC	WWST	FM	Sevierville	TN	29727

SummitMedia does not hold attributable interests in any other station in the Knoxville Market.

As shown in the BIA Market Report for the Knoxville Market attached hereto, the market is currently home to 47 full-power broadcast stations. Section 73.3555(a)(1)(i) of the Commission’s rules provides that, in a radio market with 45 or more full-power, commercial and noncommercial radio stations, a party may hold attributable interests in 8 full-power commercial and non-commercial broadcast stations located in the same market – no more than 5 of which are in the same service.²

SummitMedia is currently in compliance with the FCC’s multiple ownership limits for the Knoxville Market because SummitMedia currently has attributable interests in only 4 full-power broadcast stations in the market – all of which are in the FM service. Furthermore, following the closing the transaction contemplated in this application, SummitMedia will remain in compliance with the FCC’s ownership limits for the Knoxville Market as the stations in that market in which it has attributable interests will remain unchanged. For these reasons, SummitMedia is currently, and will remain in compliance with the FCC’s multiple ownership rules.

¹ See Changes in Ownership and Other Authorizations Exhibits.

² 47 C.F.R. § 73.3555(a)(1)(i).
