

Temporary Cessation of Operation

On February 29, 2016, Meredith Corporation (“Meredith”) filed a notice of silent operation and request for silent STA for W21DV-D [then operating as W40CW-D] due to equipment failure, which occurred on February 8, 2016 (FCC File Number 0000008215). The FCC granted the request on February 29, 2016.

On March 23, 2016, W21DV-D [then operating as W40CW-D] completed repairs and resumed broadcasting; Meredith concurrently filed the required notice of resumption of operations (FCC File Number 0000008462).
