

STATEMENT AS TO TRANSFER OF CONTROL

The transferor, Ronald L. Ulloa, an individual, controls KXLA TV 44, Inc. (“KTI”), the parent of Rancho Palos Verdes Broadcasters, Inc. (“RPVB”), the licensee of the Station.

Mr. Ulloa exercises his control of RPVB through his individual ownership of voting equity of KTI.

He now proposes to transfer his shareholder interests in KTI from his individual ownership to a trust, the Ulloa Family Trust, dated July 13, 2005, Trust A (“UFTA”), as transferee.

Mr. Ulloa is the settlor, sole current trustee and sole current beneficiary of UFTA. Consequently, he will retain control over RPVB.

No other changes in the ownership of KTI are proposed.

The facts presented evidence that the transaction being proposed represents a pro forma transfer of control which the Commission is requested to consent to.
