

Multiple Ownership Exhibit

In this application, Dimes Media Corporation is seeking consent to its acquisition of KRKC (AM & FM) both of which are located in the Monterey-Salinas-Santa Cruz, CA radio metro market. It has no other attributable interests in that market.

Dimes Media does own other stations, which are all licensed to the San Luis Obispo radio market. Thus, as these stations are located in a different radio market, they pose no multiple ownership impediment to the grant of this application.
