Request for Special Temporary Authority

RNN Boston License, LLC, licensee of WWDP(TV), Norwell, Massachusetts, and RNN National, LLC, licensee of WMFP(TV), Foxborough, Massachusetts (the “Stations”), hereby requests Special Temporary Authority (“STA”) to operate the Stations at reduced power (65%) pending repairs to the shared main antenna.

On January 29, 2021, the Stations began operating at reduced power from their authorized licensed facilities. After analysis of the problem, a new transmitter was ordered and installation is scheduled for March 1, 2021. It is expected that the Stations will be able to resume full, licensed operations [FCC File Numbers 0000059580 (WWDP) and 0000059470 (WMFP)] on March 2, 2021.
