

WUXP (TV)

FOURTH QUARTER 2019

IV. Children and Family Community Activities

During 4th Quarter WUXP either participated or hosted the following community related events: WUXP teamed up with Pumpkinfest organization to air local public services announcements. Teamed up with Historic Downtown Franklin non-profit organization that put on its annual Pumpkinfest down in the historic district of Franklin, Tennessee. Pumpkinfest was a free celebration, which included a fun filled weekend of children's activities zone, arts and crafts, and food.

WUXP aired several public service announcements that informed student age children, teens, youth, and young adults about Homework Hotline, Hunger Prevention, Girls in STEM, Bullying Prevention, School Violence Prevention Child Car Safety, Fatherhood, and Foster Care.

WUXP provided opportunities for local inner-city camps, students, Girls Scout, and Boys Scout, to visit and tour the station to learn about careers in broadcasting. Community Public Affairs Manager lead several in house station tours for elementary age students, middle school age students, junior high age students, high school age students, college and university age students. Several opportunities were provided for interns in the promotions, marketing, public affairs, and news departments.
