

**Adherence to Minimum Operating Schedule Exhibit  
Fraser Valley Community Media, Inc.**

The station was silent beginning June 21, 2015 pursuant to BLSTA - 20150810AEA and extended by BLESTA - 20160310AAJ to address community complaints and an environmental hazard regarding the tower location. On June 17, 2016, the station was granted Special Temporary Authority to broadcast at reduced power (*see* BSTA-20160613ABO), and on June 21, 2016, at 2:00 p.m. Mountain Time, KFFR(FM) resumed broadcast operations. The station resumed operating before the one-year period expired per FCC letter dated March 24, 2016.

The station subsequently went silent again 16 days later on July 7, 2016 to comply with local regulations requiring the station to apply for temporary facilities that were authorized in BSTA-20160729AMM, granted August 4, 2016, pursuant to which the station resumed operations. Since that time, KFFR(FM) has operated with temporary facilities as outlined in the STAs available in CDBS.
